**NATASSA ROMANOU**  
Professor and research scientist  
at Columbia University, and  
member of Syriza, New York

**DIMITRI ROUSSOPOULOS**  
Publisher, Black Rose Books  
Montreal

Hope has arisen in Greece and Europe!  
Syriza, the coalition of the radical left  
recently elected, is already taking  
decisive measures to break with  
austerity which imposed inhuman  
conditions on the Greek people.

An important discussion for all those  
who fight against austerity, here or  
elsewhere.

**ΣΥΡΙΖΑ**
